

CERTIFICATE OF COMPLETION (CCL)
GCC ADVISEMENT CHECK SHEET 2009-2010

The Certificate of Completion (CCL) in Basic Emergency Medical Technology includes techniques of emergency care, stabilization, and immobilization of victims of illness and injury. Recognition and documentation of signs and symptoms of illness and injury, intervention, and evaluation of the intervention are integrated into the program. Techniques for assessment, administration of oxygen, use of specific immobilization devices, and preparation for transportation are other areas of the program.

Students are responsible for proper selection of courses and admission to University and professional programs.
