

GLENDALE COMMUNITY COLLEGE
EMT Basic Program
CPR Requirement

One of the following is required in order to register for the EMT 104 program. All must meet 2005 guidelines.

Issuer:	Level of Training:
American Heart Association	Healthcare Provider
American Red Cross	Professional Rescuer
American Safety and Health Institute (ASHI)	CPR Pro (CPR for Healthcare Professionals)
EMP International or EMP America	BLSPRO (Basic Life Support for Professionals)
Green Cross or National Safety Council (NSC)	Professional Rescuer
Military Training Network (MTN)	“meets AHA guidelines 2005 for healthcare providers”

NOT ACCEPTED:

American CPR Association
Emergency Response Training Associates

Current instructor certification for any of these levels also meets the requirement. National Registry accepts any CPR program that is approved by an individual state as meeting the minimum requirements for Health Care Providers established by the American Heart Association.

Enrollment Center: Please allow concurrent enrollment in EMT101 and 104 **IF** the 101 section will complete prior to the start of EMT104.

Contact the EMT Department at 623.845.3161 or 623.845.3977 if you have any questions.
