EMT Program
EMT104: Online Multiple Choice Chapter Quizzes

Instructions:

Your EMT textbook provides a great deal of online resources to assist you during the EMT class. You can access this website at:

http://wps.prenhall.com/chet_limmer_emergencycare_11/

Please complete the online multiple choice chapter quizzes found on this website. Below you will find the chapter quizzes that are required for each module. The quizzes are due BEFORE you take the corresponding module exam. Once you complete a chapter quiz, you can submit it for immediate grading. The website will allow you to submit your results electronically to your instructor. Consult your instructor to determine if you are required to submit the quiz results electronically or turn in a printed copy.
