The primary responsibility for financing a college education rests with the student and parents. *Many students feel they are Independent because they are currently living on their own, or because their parents no longer claim them on their income taxes. However, SFA is required by federal law to consider parent information unless the student meets one of the following criteria:*

- 24 years of age or older by December 31, 2009;
- Married individual;
- serving on active duty in the U.S. Armed Forces for purposes other than training;
- Veteran of the Armed Forces of the United States;
- have legal dependents other than a spouse;
- is/was at any time since age 13, an orphan or ward/ dependent of the court, in foster care, or legally placed under the care of the court;
- is/was an emancipated minor or in legal guardianship as determined by a court in your state of legal residence.
- is/was at any time on or after July 1, 2008, an unaccompanied youth who was homeless, or self-supporting and at risk of being homeless as determined by your high school, school district homeless liaison, emergency shelter director or transitional housing program funded by HUD, runaway or homeless youth basic center or transitional living program director; or
- Graduate student.

If you are applying for financial aid and do not meet the definition of an Independent student you must apply for financial aid as a Dependent student. If unusual family circumstances exist that make it impossible for you to obtain parent information, our office will review your dependency status.

Before our office will consider any changes regarding dependency status, you must complete the appropriate sections of this form and provide supporting documentation. This office may request additional information for consideration of your review.

Upon submitting all documents, your request for Independent status will be reviewed by a Financial Aid Committee. Written notification of the Committee's decision will be mailed to you. Please allow at least 15 business days (may take longer during peak processing periods). All Committee decisions are final.
