# Honors Program Honors Fee Waiver Application Packet

**The Honors Program** at Glendale Community College offers talented and motivated students opportunities for extended academic and personal growth through many special courses that emphasize critical thinking, verbal expression, and creative problem solving.

Small classes, usually limited to 17 students, make it possible for excellent teachers to give more individual attention to students.

Honors courses are offered in many disciplines and satisfy the general education requirements for graduation from Glendale. Most courses will transfer to four-year colleges and universities. Honors courses are indicated as such on transcripts.

Students who complete a minimum of 15 Honors credits (Pass/Fail credits excluded) distributed among 4 different course prefixes and whose cumulative grade-point average is 3.500 or higher will be designated as **Honors Program Graduates** upon graduation.

**Honors Program Graduates** are awarded special recognition at commencement and on their transcripts. They are encouraged to apply for honors programs and scholarships at state universities and other institutions.

**The Honors Program Ambassadors** provide students with opportunities to develop their leadership abilities through active participation in the college's advisory committee for Honors and by planning and executing honors activities.

**Other benefits of the Honors Program:**

- ★ Provisional membership in Phi Theta Kappa, a national honors society
- ★ Personal academic advisement
- ★ Early registration
- ★ Financial benefits
- ★ Special recognition for honors achievements
- ★ Cultural, social, and service activities
- ★ Honors Forums
- ★ Honors Awards Banquet
- ★ Assistance with transfer to our state universities
- ★ Eligibility to participate in regional, national and international programs and conferences

**CONTINUING AND TRANSFER STUDENTS** who have accumulated a minimum of 12 credits in courses numbered 100 or above (Pass/Fail credits excluded) at Glendale Community College and who have a minimum cumulative GPA of 3.250 may apply for the **Honors Fee Waiver Program**. Students who are accepted will receive partial tuition and fee waivers based on the number of credits in courses numbered 100 or above (Pass/Fail credits excluded) for which they are enrolled:

<u>Number of credits</u>	<u>Amount of Fee Waiver</u>
12 or more	\$325.00
9 - 11	244.00
6 - 8	163.00
3 - 5	81.00

Deadlines for applying for the Honors Fee Waiver Program are the Friday before the start of the fall or spring semester.

**Students accepted into the Honors Fee Waiver Program must meet the following requirements:**

- Complete the number of credits in courses numbered 100 or above (Pass/Fail credits excluded) within the semester for which a partial fee waiver has been awarded.
- Complete at least one three-credit Honors course each semester with a grade of "C" or higher.
- Maintain a cumulative GPA of 3.250 or higher. (Cumulative GPA includes all Maricopa County Community College courses).

**NOTE:** Students who do not complete the number of credits for which they have received a partial fee waiver will be billed for repayment in the amount of the credits not completed. Failure to comply with the requirements will result in cancellation of the fee waiver.
