BlackBoard Instructions

1. You must first get “set up” in the Blackboard system.

First go to the GCC Home Page: www.gc.maricopa.edu

Click on Prospective Students in the left column. Then click on Resources and then Blackboard in the right column. You will see 2 urls, one a tutorial and the other login information. Click on login then click on New User and follow directions.

2. Now you need to get set up and get a password.

Answer all the questions. The e-mail address you put in is the one you prefer to get messages from in this course. Be sure to write down your new MEID (Maricopa Enterprise) ID user name and password.

3. Now go back to the main Blackboard Home page : [//blackboard.maricopa.edu](http://blackboard.maricopa.edu)

Choose Glendale and use your new ID and password to log on.

You will see an Announcements Section, this course and your list of courses. Click on this course.

4. The Blackboard help # is: 1-888-994-4433

Also there are student tutorials online if you want at:

<http://www.gc.maricopa.edu/ic/gcchelp/tutorials/Blackboard/index.html>

5. Don't forget to “log out” when you are finished. Look up in the blue border at the top of the page.
