Students who are returning after a separation of five (5) years or more from the Maricopa Community College District may petition for academic renewal. Complete this form and submit to the Office of Admissions and Records at the college where the grades were earned. Upon approval, all courses taken prior to reenrollment with a grade of "A," "B," "C," "D," "F," or "Y" will be annotated as academic renewal on the student's permanent record. All course work affected by academic renewal will not be computed in the grade point average. Courses with grades "A," "B," or "C" will have associated credit hours counted in the total credit hours earned. Such credits will not be computed in the grade point average. Eligible students must agree to the following conditions:

- I must have demonstrated a renewed academic interest and performance by earning a minimum of twelve (12) credit hours and a cumulative grade point average of 2.5 or higher within the Maricopa Colleges after re-enrollment.
- Upon approval, I understand that the prior academic record remains on the transcript with a notation of the academic renewal.
- I understand that the Academic Renewal policy may be used only once and cannot be revoked once approved.
- If granted academic renewal, I must also meet the financial aid standards of academic progress to be eligible to receive financial aid.
