CITIZENSHIP STATUS

These questions are asked for the purpose of determining tuition and fees. State law now requires that a person who is not a citizen or legal resident of the United States or who is without lawful immigration status is not entitled to classification as an in-state student pursuant to A.R.S. Section 15-1802 or entitled to classification as a county resident pursuant to A.R.S. Section 15-1802.01. Failure to answer the following questions may result in being classified as out-of-state for tuition and fee purposes. The responsibility of registering under the proper residency classification is placed upon the student. Any student who falsifies his/her residency may be subject to dismissal from the college and/or criminal action. Refer to the college catalog for residency guidelines.

Signature of Student Date

All of the information on this form is confidential and in compliance with the Family Education Rights and Privacy Act of 1974. The Act's provisions are explained in the General Catalog.

*Your Social Security Number will not be used as your primary student identification number and will be kept confidential. Providing a Social Security Number will ensure that your educational records are complete and correct and will allow the fullest services. Any individuals that wish to gain full access to Maricopa's secure online self-services resources must provide both the Social Security Number and date of birth. Students should be aware that a correct Social Security Number must be on file for reporting information pertaining to potential tax credit, and must be used by applicants for federal and state aid, and Veteran Administration benefits. Failure to provide a correct Social Security Number may preclude the determination of eligibility for in-state residents, resulting in out-of-state tuition.

** Voluntary information used to comply with Federal Reporting and has no effect on admission to the college. This information will not be used for any discriminatory purpose.
