I. District WLG News

- No district representative was present to report.
- The District Spring Luncheon will be held March 30, 2004 at Mesa Community College. Amanda is looking into reserving a van so that GCC members can journey to the event together. Keep an eye on your E-mail for further details.

II. Local GCC WLG Stuff

The GCC Women's Month Luncheon, previously scheduled for Tuesday, March 9, 2004, has been CANCELLED.

Pam & Amanda requested opinions from Roxie. Primary circumstances that led up to the cancellation included the inability to obtain a speaker for the event (after several attempts) and the scheduling of the District Mentoring and District Spring Luncheon in March this year (instead of April) - which would require Dr. Randolph and other campus leaders to attend 3 WLG events in one month. Although we have been very fortunate to obtain significant help in setting up the room (Jeff Glemba) and the food (Donna White & Aramark), we decided that a cancellation was the best decision given that the luncheon would now be 2 weeks away with still no speaker.

In lieu of a Luncheon, we will be encouraging extensive participation at the annual WLG Potluck to be held in April. We are in need of brainstorming ideas for how to get lots of people involved (it is usually heavily attended) and how to possibly have a fund-raiser for our scholarship. At present, even without this Spring's Luncheon, we have enough \$\$ to fund next Spring's recipients, but we would like to keep our budget prepared for the scholarship expenditure.

Please mark your calendars NOW for the next two meetings - at our March meeting we will be planning the Potluck and our April meeting IS the potluck. Please make every attempt to attend both!!

Also, please remember that this semester will be both Amanda and Pam's last semester serving as campus co-chairs. We are actively seeking interested parties to replace us as of Summer 2004. PLEASE CONTACT EITHER ONE OF US FOR MORE INFORMATION. Our contact information is shown on the GCC WLG home page.
