I. District WLG News

- No district rep was present to report.
- Members only networking event 12/4/03

II. Local GCC WLG Stuff

- Mary Leskovsky visited the meeting to give us all more information about the Jingle Books program. Those present decided that lending our support, both in buying books and in helping with wrapping, would be our December event.
- Members should donate a book of their choosing (K-1st grade level) at any of the donation boxes around campus before December 12th.
- Wrapping with student involved in the Honors program will take place on December 13th. More information will be forthcoming about a time and location.
- Books are for K-1st students at Glen Downs Elementary. The books are delivered the Friday at the end of Finals Week. In the past, Jim Reed has served as a happy Santa!

- Dr. Pollack bought WLG several copies (18) of *The Courage to Teach* (by Parker Palmer) many years ago. They have remained un-used in Amanda's office as long as we've been co-chairs. Amanda suggested that we could donate the books to the AzTEC program (for future teachers). Those present agreed that this was a great idea. Amanda will contact Melinda Ornelas to get the books to her.

III. Readings and Personal Development - Positive Attitude!

- Members briefly discusses the article for the month. We thank Christine Moore again for her gracious help!!
